

About Weaver & Woodbery

Founded in 1999, Weaver & Woodbery purchases, develops, and manages both commercial and residential properties. Our acquisition, revitalization, and management of properties have been held in high regard by investors, as well as the residents in the communities we have developed.

Our full range of development services includes:

- Site Selection & Investigation
- Coordination Of Contract Documents
- Construction
- Cost Estimating & Control
- Design
- Environmental Compliance
- Interior Improvements, Renovation & Space Planning
- Pre-Construction Services
- Scheduling
- Asset Management

We are dedicated to working with local citizen groups and governmental authorities to enhance the success of our properties. For the latest information about Weaver & Woodbery projects, visit our [Media Center](#) section.
